# Understanding Today, Growing Tomorrow

The COVID-19 pandemic has put businesses through rigorous strategic-resilience tests. Those who adopted new business models have tended to focus on 4 areas: New digital experiences, products, services and human resources in response to changes in customer behaviors and needs.

WORKSHOP

## WORKSHOP OVERVIEW

- BBRTP is committed to delivering high-level 2-day educational and networking opportunities as we adapt and re-adapt.
- Industry Leaders will outline the future of Human Resource and thus assist Human Resource Tribe (managers, leaders, practitioners, and trainers) to ride through the pandemic
- Understand the issues and trends between CPE and HRD
- Redefine your teams
- Present HRD on an omnichannel/multi-channel virtual platform
- Understand how to obtain Malaysia Certification skills through RPEL and TVET
- Understand the ethical leadership practices among HR practitioners
- Certify every attendee as an Action Learning Coach
- Creating a digital human resource footprint enabling a more agile structure, set and review processes, and people locally and globally.

# WHY ATTEND?

- Stimulating and compelling topics, discussions and activities have been lined-up by our speakers, who are industrial experts and HR Practitioners.
- Professional Networking opportunities.
- Foster the Speed, Agility, and Adaptability to Thrive Amidst Difficult Times
- You will gain valuable experience and solutions to your workplace problems.
- Certified by The Ten X Group; Attending this conference helps you stay on top of the latest industry trends, learn about new strategies and think outside the box for your organization.
